

Annual Report 2022

God continues to guide and bless Northland Christian Counseling Center. The board, clinicians, and office staff have all been set in place by God for such a time as this. Seeds continue to be planted and watered, and lives are changed. In 2022, NCCC operated out of two locations, one in Faith Evangelical Free Church and one in the Grand Cities Mall. It became apparent to the board and the executive director that it was time to move into one space and they have diligently searched out and negotiated that property. In 2023 it is hoped that NCCC will continue to bring this to fruition.
